CARRIER TAPES

Highest quality and sophisticated designs to protect and transport your components.

PRODUCTION CARRIER TAPES

Since 2011 we also produce the carrier tapes at our headquarters in Nördlingen.

>>> Quality „Made in Germany“

With our partner **C-PAK**, one of the world's leading producers of **Tape & Reel** products (carrier tapes, cover tapes, plastic reels), we are market leader in Central Europe.

STANDARD CARRIER TAPES

For standard components we have a large selection of carrier tapes available from stock.

Just send us the component dimensions in order to quote the suitable carrier tape.

CUSTOMISED CARRIER TAPES

No standard?
We will find the perfect design for your component.
Carrier tapes according to your wishes.
