

EU Declaration of Conformity Packaging according to Regulation (EU) 2025/40 (PPWR)

# EU DECLARATION OF CONFORMITY

Packaging in accordance with Regulation (EU) 2025/40 (PPWR)

Bundled declaration for all packaging materials in accordance with Art. 39 PPWR in conjunction with Annex

VII and VIII PPWR

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Exhibiting company | K-Tech Electronic Vertriebs GmbH                |
| Address            | Fritz-Hopf-Str. 11 A, 86720 Nördlingen, Germany |
| Document No.       | PPWR_Declaration_2026                           |
| Version            | V 1.0                                           |
| Date               | 21.09.2026                                      |

This document bundles the EU declaration of conformity for all packaging materials of K-Tech Electronic Vertriebs GmbH. It is considered a uniform proof document vis-à-vis customers and authorities in accordance with Art. 15 para. 3 Regulation (EU) 2025/40 (PPWR). The detail lists for each packaging group are attached as Appendices A–D.

Note: To the extent that individual requirements of Regulation (EU) 2025/40 are not yet directly applicable at the time of issuing this declaration or the delegated documents required to specify them have been

Acts or implementing acts have not yet been adopted, this declaration shall be limited to the requirements in force on the date of issue.

EU Declaration of Conformity Packaging according to Regulation (EU) 2025/40 (PPWR)

## 1. Scope and packaging groups

This declaration applies to all packaging materials that K-Tech Electronic Vertriebs GmbH places on the EU market. The packaging is divided into 4 groups. The complete lists of articles per group are contained in Annexes A-D.

| Group | Material                      | Function        | Appendix |
|-------|-------------------------------|-----------------|----------|
| A     | Plastic                       | Sales packaging | Anh. A   |
| B     | Plastic                       | Sales packaging | Anh. B   |
| C     | Plastic                       | Sales packaging | Anh. C   |
| D     | Plastic                       | Sales packaging | Anh. D   |
| E     | Plastic                       | Sales packaging | Anh. E   |
| F     | Plastic                       | Sales packaging | Anh. F   |
| G     | Plastic                       | Sales packaging | Anh. G   |
| H     | Clay                          | Sales packaging | Anh. H   |
| I     | Paper / Cardboard / Cardboard | Sales packaging | Anh. I   |

## 2. Exhibitor (Annex VIII No. 2)

The sole responsibility for the conformity of the following packaging lies:

|            |                                                 |
|------------|-------------------------------------------------|
| Company    | K-Tech Electronic Vertriebs GmbH                |
| Address    | Fritz-Hopf-Str. 11 A, 86720 Nördlingen, Germany |
| E-mail     | info@k-techgmbh.de                              |
| VAT ID No. | DE179305813                                     |

## 3. Declaration under sole responsibility (Annex VIII No. 3)

The exhibitor hereby declares, under sole responsibility in accordance with Art. 39 para. 4 of Regulation (EU) 2025/40, that the packaging listed in Annexes A-D complies with the requirements of Regulation (EU) 2025/40 that are directly applicable at the time of placing on the market, according to the current status of the information available to the exhibitor and on the basis of an internal technical assessment.

EU Declaration of Conformity Packaging according to Regulation (EU) 2025/40 (PPWR)

## 4. Sustainability requirements applied (Annex VIII No. 5)

The scope of the declaration referred to in point 2 complies with the relevant Union legislation on harmonisation:

| Complies with the following regulations | Reference          |
|-----------------------------------------|--------------------|
| Regulation (EU) 2025/40 (PPWR)          | OJ L of 22.01.2025 |

Other Union acts remain applicable to the extent that the packaging concerned falls within their scope. This list does not claim to be exhaustive with regard to legal acts that will enter into force in the future.

## 5. Sustainability requirements applied (Annex VIII No. 6)

The scope of the declaration referred to in number 2 satisfies – to the extent applicable – the requirements of PPWR compliance under Art. 39 PPWR in conjunction with Art. 5-12 PPWR:

| Article    | Requirement                                                                                                                        | Status                              |
|------------|------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------|
| Art. 5 (4) | Heavy metals: $\Sigma (\text{Pb} + \text{Cd} + \text{Hg} + \text{CrVI}) \leq 100 \text{ mg/kg}$ per component                      | compliant                           |
| Art. 5 (5) | PFAS limits - food contact only:                                                                                                   | not applicable                      |
| Art. 6     | Recycling-friendly design Confirmation of conformity with the criteria for recycling-friendly design Performance level (from 2030) | not yet applicable / in preparation |
| Art. 7     | Minimum recycled content for plastic packaging (Targets from 2030)                                                                 | not yet applicable / in preparation |
| Art. 8     | Bio-based Plastics - Sustainability Requirements                                                                                   | not applicable                      |
| Art.9      | compostability (tea/coffee bags, fruit stickers, Single serving; from 2028)                                                        | not applicable                      |
| Art. 10    | minimization of packaging – there are no harmonised standards.<br>Art. 24 White space quota $\leq 50\%$ (from 2030)                | not yet applicable / in preparation |
| Art. 11    | Reusability - Criteria (a)–(i) (only Reusable packaging)                                                                           | not applicable                      |
| Art. 12    | Marking (material codes; harmonised label from 2028)                                                                               | not yet applicable / in preparation |

EU Declaration of Conformity Packaging according to Regulation (EU) 2025/40 (PPWR)

For requirements that have yet to be specified by delegated acts or implementing acts of the EU Commission (in particular Art. 6 and Art. 7 of Regulation (EU) 2025/40), the assessment is subject to the final determination of the criteria. The issuer undertakes to review this declaration after the publication of the relevant legal acts and, if necessary, to update it.

## 6. Harmonised standards and other technical specifications

---

At the time of issuance of this declaration, harmonised standards in accordance with Regulation (EU) 2025/40 have not yet been published in the Official Journal of the European Union for the relevant packaging categories. The conformity assessment is therefore carried out on the basis of:

- (a) the directly applicable requirements of Articles 5 to 12 of Regulation (EU) 2025/40,
- (b) the technical documentation provided by the packaging supplier in accordance with Art. 16 Regulation (EU) 2025/40.

This statement will be updated after the publication of the harmonised standards. The obligation to update does not affect the validity of this declaration for the period prior to the update.

- EN 13427 – General requirements for packaging
- EN 13428 – Packaging minimization
- EN 13429 – Reusability
- EN 13430 – Material recyclability

Certifications:

- ISO 9001:2015 – Quality Management System

## 7. Involvement of notified bodies (Annex VIII, point 7)

---

The conformity assessment was carried out by the producer in accordance with Annex VII Module A (internal production control) of Regulation (EU) 2025/40. The involvement of a notified body is not required for the packaging categories concerned under this Regulation and has therefore not been carried out.
