

EU DECLARATION OF CONFORMITY

Packaging in accordance with Regulation (EU) 2025/40 (PPWR)

Consolidated Declaration for All Packaging Materials in accordance with Article 39 PPWR in conjunction with Annexes VII and VIII of the PPWR

Issuing Company	K-Tech Electronic Vertriebs GmbH
Address	Fritz-Hopf-Str. 11 A, 86720 Nördlingen, Germany
Document No.	PPWR_Declaration_2026
Version	V 1.0
Date	21.09.2026

This document constitutes the consolidated EU Declaration of Conformity for all packaging materials supplied by K-Tech Electronic Vertriebs GmbH. It serves as a uniform compliance document for customers and competent authorities in accordance with Article 15(3) of Regulation (EU) 2025/40 (PPWR). Detailed lists for each packaging category are attached as Annexes A–D.

Note: To the extent that certain requirements of Regulation (EU) 2025/40 are not yet directly applicable at the date of issue of this declaration, or where the delegated acts or implementing acts required to further specify these requirements have not yet been adopted, this declaration is limited to compliance with the requirements applicable as of the date of issue.

1. Scope and Packaging Categories

This declaration applies to all packaging materials placed on the EU market by K-Tech Electronic Vertriebs GmbH. The packaging materials are divided into four categories. The complete lists of products for each category are provided in Annexes A–D.

Group	Material	Function	Annex	Number of Items
A	Paper / Paperboard / Cardboard	Transport Packaging	Annex A	
B	Plastic	Transport Packaging	Annex B	
C	Plastic	Transport Packaging	Annex C	
D	Wood	Transport Packaging	Annex D	

2. Issuing Entity (Annex VIII Nr. 2)

The sole responsibility for the conformity of the packaging listed below lies with:

Company	K-Tech Electronic Vertriebs GmbH
Address	Fritz-Hopf-Str. 11 A, 86720 Nördlingen, Germany
Email	info@k-techgmbh.de
VAT ID No.	DE179305813

3. Declaration under Sole Responsibility (Annex VIII Nr. 3)

The issuer hereby declares under its sole responsibility, in accordance with Article 39(4) of Regulation (EU) 2025/40, that the packaging listed in Annexes A–D complies, to the best of the issuer's current knowledge and based on an internal technical assessment, with the requirements of Regulation (EU) 2025/40 that are directly applicable at the time the packaging is placed on the market.

4. Applicable Sustainability Requirements (Annex VIII Nr.5)

The scope of this declaration referred to in Section 2 complies with the applicable Union legislation concerning the following harmonized sustainability requirements:

Complies with the following legislation	Reference
Regulation (EU) 2025/40 (PPWR)	OJ L of 22.01.2025

Additional Union legislation shall remain applicable where the respective packaging falls within its scope. This list is not intended to be exhaustive with regard to future Union legislation entering into force.

5. Applicable Sustainability Requirements (Annex VIII Nr.6)

The scope of this declaration referred to in Section 2 complies, where applicable, with the PPWR conformity requirements in accordance with Article 39 of the PPWR in conjunction with Articles 5–12 of the PPWR.

Article	Requirement	Status
Art. 5 (4)	Heavy metals: $\Sigma (\text{Pb} + \text{Cd} + \text{Hg} + \text{CrVI}) \leq 100 \text{ mg/kg}$ per component	Compliant
Art. 5 (5)	PFAS limit values – food contact materials only	Not applicable
Art. 6	Design for recycling – Confirmation of compliance with the design-for-recycling performance criteria (applicable from 2030)	Not yet applicable / Under preparation
Art. 7	Minimum recycled content in plastic packaging (targets applicable from 2030)	Not yet applicable / Under preparation
Art. 8	Bio-based plastics – sustainability requirements	Not applicable
Art. 9	Compostable packaging (tea/coffee bags, fruit stickers, single-portion packaging; from 2028)	Not applicable
Art. 10	Packaging minimisation – no harmonised standards available yet. Art. 24: Empty space ratio $\leq 50\%$ (from 2030)	Not yet applicable / Under preparation
Art. 11	Reusability – criteria (a)–(i) (reusable packaging only)	Not applicable
Art. 12	Packaging labelling (material codes; harmonised label from 2028)	Not yet applicable / Under preparation

EU Declaration of Conformity for Packaging in accordance with Regulation (EU) 2025/40 (PPWR)

For requirements whose detailed provisions are still subject to delegated acts or implementing acts of the European Commission (in particular Articles 6 and 7 of Regulation (EU) 2025/40), this assessment is made subject to the final adoption of the applicable criteria. The issuer undertakes to review this declaration following the publication of the relevant legal acts and, where necessary, to update it accordingly.

6. Harmonised Standards and Other Technical Specifications

At the date of issue of this declaration, no harmonised standards applicable to the relevant packaging categories under Regulation (EU) 2025/40 have been published in the Official Journal of the European Union. Therefore, the conformity assessment is based on the following:

- (a) the directly applicable requirements of Articles 5 to 12 of Regulation (EU) 2025/40;
- (b) the technical documentation provided by the packaging supplier in accordance with Article 16 of Regulation (EU) 2025/40.

This declaration shall be updated following the publication of the harmonised standards. The obligation to update this declaration shall not affect its validity for the period prior to such update.

- EN 13427 – General Requirements for Packaging
- EN 13428 – Packaging Source Reduction
- EN 13429 – Reuse
- EN 13430 – Material Recycling

Certifications:

- ISO 9001:2015 – Quality Management System

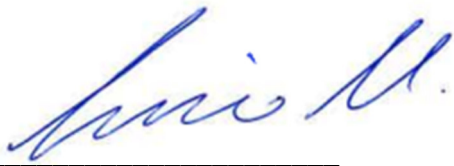

7. Involvement of National Bodies (Annex VIII Nr. 7)

The conformity assessment was carried out by the manufacturer in accordance with Annex VII, Module A (Internal Production Control) of Regulation (EU) 2025/40. The involvement of a notified body is not required for the relevant packaging categories covered by this Regulation and has therefore not been undertaken.

EU Declaration of Conformity for Packaging in accordance with Regulation (EU) 2025/40 (PPWR)
